\$35.00 TRADE P/BACK (RELEASES APRIL 8TH)

Two years after his wife's death, rock star Garrett Hayes hasn't moved on. But he has moved out of L.A. Where better to escape his past than a small town in the northern California mountains? The last thing she needs is a grumpy, too hot for his own good, rich and famous rock star living next door—and rent-free in her brain. She set her fangirl tendencies aside and deleted his photo from her cell when they became neighbors. But when Garrett asks for help, she can't say no. The problem is, spending time together is making those fangirl feelings resurface—and bringing them to a whole new level. What chance does a small-town girl have with world-famous rock star? It's time for Ani to set her fears aside and find out.

Daemonar Yaslana knows how to be bossy yet supportive-traits he shares with his father, the Demon Prince, and his uncle, the High Lord of Hell. Within his generation of the family, he assumes the role of protector, supporting his sister Titian and curbing his cousin Jaenelle Saetien's more adventurous ideas. But when a young Eyrien Queen, someone Titian thought was a friend, inflicts an emotional wound, Daemonar's counterattack brings him under the tutelage of Witch, the Queen whose continued existence is known only to a select few. As Daemonar is confronted by changes within and around the family, he sees warnings that a taint in the Blood might be reappearing. TOP PICK

Start with The Last Viking. Kirstin Magnusson is haunted by dreams of a fierce Viking warrior in a cage, being tortured and humiliated by his Saxon captors. Is it a fantasy, or a cry for help? But she's a no-nonsense college professor, not a Navy SEAL like her brothers or a Norse fighting man, like her father once was.

What can she do to help? Call on her academic training, of course, and form a plan. Once called Hauk the Handsome, Hauk Thorsson is far from it these days, having lived in a filthy Saxon cage for over six months. All because he allowed grief over the death of his son to distract him. However, Hauk has a plan to escape soon and join the approaching army of Sweyn Forkbeard...until that lackbrain woman arrives and causes nothing but trouble. All right, it depends on the definition of "ever after." And mayhap it wasn't the best idea for Hauk to kidnap Kirstin, but she'd said she needed time; so, he was just doing what she wanted, sort of.

Tinker's newfound baby siblings are up for grabs. The babies, though, are wood sprites and aren't going to take things lying down. Team Mischief go!

Preferably alive, of course, but she's tired, and at this point, she's not that picky. It's a pan-dimensional crash course in chaos, as Alice tries to find the rabbit hole she's been missing for all these decades--the one that will take her to the man she loves. Who are her allies? Who are her enemies? And if she manages to find him, will he even remember her at this point?

### ECHOES DEFIANCE

BOOK #4 \$40.00 TRADE P/BACK

TOP PICK

Start with Oath Sworn. My duty to my family is simple. Help maintain order and uphold the Law for my werecat father, Hasan, a member of the Tribunal. But I've always had a defiant streak. To do what's right, I'm willing to throw the Law out the window and turn my back on everything I've been told. Everyone around me knows I'm willing to risk everything for what I believe in. All I can hope is that my beliefs and the Law don't clash again. Because I have another duty. A duty to blood. A duty to the bond between those who once shared a face and a life. My name is Jacky Leon and my twin has found her way back into my life. My echo, strangely similar and yet different, Gwen is a piece of me that I tried to leave behind. And it seems defiance runs in the family.

### BLOOD OF THE WICKED

BOOK #2 \$40.00 TRADE P/BACK

Book #1 Servant of the Blood. I once worked for vampires. I'd never thought I'd be one. My throat is always on fire. My mouth is always dry. The only thing that helps? Human blood. As much as vampires need it, it is also our curse. Blood can drive us mad if we're not careful. That madness breeds a wickedness as the need

for blood reigns supreme. We revel in it, desiring the power and vitality it gives us. When we drain someone, we get high; it's a rush that some vampires love to chase once they cross that line. Vampires will do anything to get it and there's nothing that will stop them from killing hundreds. Our humanity slips away the more we indulge the need and there is no way to regain it. Alexius makes it his duty to kill any vampire that loses control and I've promised to help him. After months, I get to help on my first case, just like I wanted to the night I woke up as an immortal. I thought I knew what sort of vampires we'd be stopping. I didn't think about how bad things could get. My name is Everly Abbott... And the wicked really do know no bounds.

### DEMON KISSED

BOOK #1 \$35.00 TRADE P/BACK

My name is Rebecca, but everyone calls me Becs. Years ago, a mark appeared on my inner wrist--The Kiss, they call it--and it makes me a summoner. I can summon, well, things...entities of power, including demons. Which, I did, until recently. I quit, because I summoned a demon on behalf of a client and things went south. I fixed it, but now I owe that demon a favor and I don't know when he's going to call it in, or, what he's going to ask. One thing's for sure, it won't be kosher. Now I work in a fae bar, trying to stay out of trouble, waiting for the hammer to drop. But trouble tends to follow me. And my upstairs neighbor, Ash, seems to be right in the thick of it. He's gorgeous, with sexy curls, kissable lips, and a body to match. I can't believe someone like him even glanced my way. Things get complicated when a local mob boss wants my help, a warlock decides I'm next on the menu, and my six-foot-tall fairy friend can't find his way home. What's a Jewish, bird-watching summoner with family and friends to protect, to do?

### FAE CROSSED

BOOK #2 \$35.00 TRADE P/BACK

I'm Becs. The Kiss marks me as a summoner, but the only mark I'm worried about right now is the great big target on my back. I got in deep with a demon and some fae folk, and now both Faerie and Hell are *interested* in me--a dangerous position for a mortal woman to be in. Meanwhile, the one person whose attention I *do* want, skipped town after a single night of passion. Asher might be sexy as sin, but he has his secrets. Just like me. So now I'm stumbling along, doing my best to stay alive. Faerie and Hell have power and influence to spare. And what are my assets? A bartending job, a six-foot tall pink fairy friend, chardonnay-swilling dwarves and oh, yeah, a meddling mobster who thinks he can control me. As I dig into what's going on, I find secrets on top of secrets. What does Faerie want with me? What does Hell want with Faerie? And what will they do to me when I finally find out the answers? Because trust me, I will.

**BAILEY CATES CONTINUES HER KITCHEN WITCH SERIES**  
**MAGIC AND MACAROONS**  
**BOOK #5 \$24.95**

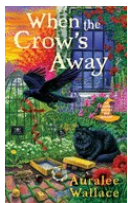

Start with Brownies and Broomsticks. For magical baker Katie Lightfoot, the only way to beat the Savannah summer heat is to whip up some cool treats for the Honeybee Bakery's patrons. But when a meeting of the spellbook club is interrupted by a stranger collapsing on the floor of her shop, mumbling something about a voodoo talisman, Katie drops everything to begin investigating. Her search for answers quickly leads her into a dangerous blend of Savannah's infamous voodoo queens, a powerful missing charm--and a deadly witch who seems to be targeting the city's magical community. And with the case getting hotter by the second, Katie will have to work fast to track down the talisman and the killer before the timer runs out. Includes recipes!

**SPELLS AND SCONES**  
**BOOK #6 \$24.95**

When the bookshop next to the Honeybee Bakery hosts a signing for a Savannah radio celebrity's new self-help book, magical baker Katie Lightfoot is happy to provide some delectable desserts. A big crowd has turned out for the event, curious about the book (and maybe to sample some goodies), but the final chapter comes too soon for the author when she is found dead at the event. The prime suspect is Angie Kissel, a former witch whose familiar was once Katie's own terrier, Mungo. Katie is at first hesitant to help, afraid of losing the little dog who has become so important to her. But after a little nudge from Mungo himself, Katie decides to try to conjure up the real killer before Angie gets served.

**WHEN THE CROWS AWAY – AURALEE WALLACE**  
**BOOK #2 \$24.95**

Book #1 In the Company of Witches. After spending months unable to use her powers, Brynn Warren is once again using her gift and working at her family's bed-and-breakfast. Her heart is full, and although one of her aunts wonders if it might be a *little* more full with a bit of romance in her life, Brynn is certain that finding love again is not in her future. In fact, she can't imagine anyone being more certain of anything except for maybe, the recently deceased Mortimer Sweete. He's certain he's been murdered, and he wants Brynn's help to bring his killer to justice. Mort is positive he knows who killed him: his business partner's wife, Cookie, who had been trying to get them to sell the candy shop for months. But Brynn doesn't share his conviction. After all, the coroner ruled his death natural causes, and Mort *did* have health problems in life. But with Cookie putting up a For Sale sign for the shop already, Brynn can't just let it go. Trying to solve a might-be murder while trying to stop her aunt from meddling in her personal life seems like a recipe for disaster. If Brynn wants to bring Mort's spirit peace, she'll have to rely on all her skills--both magical and mundane--to uncover the truth.

**BLACK TRUTH WHITE LIES – HAILEY EDWARDS**  
**BOOK #3 \$25.95**

Book #1 Black Hat White Witch, Book #2 Black Arts White Craft. When one of Santa's reindeer meets a grisly end during the annual A Downtown Dickens Christmas Festival, Rue realizes her enemies are closing in on her location, and Samford will pay the price. But when one creature turns into two, and two into three, and then three into four, Rue knows the problem is bigger than a singular threat to her new hometown. And that's before a holiday shopper strolls into Hollis Apothecary claiming to be a long-lost relative. Of her father's. As old loyalties are tested and new relationships threaten to unravel the fabric of her identity, Rue must choose either the family she was born into or the one she created for herself, and the losing side might not survive her decision.

**TOMES SCONES AND CRONES – COLLEEN GLEASON**  
**BOOK #1 \$35.00 TRADE P/BACK**

At forty-eight, Jacqueline Finch has a nice, easy life with few responsibilities: she's been a librarian in Chicago for twenty-five years, she doesn't have a husband, children, or pets, and she's just coasting along, enjoying her books and a small flower garden now that she's over the hill. That is, until the Universe (helped by three old crones) has other ideas. All at once, Jacqueline's staid (and boring) life is upended, and the next thing she knows, she's heading off to Button Cove to start a new life as the owner of Three Tomes Bookshop. The bookstore is a darling place, and Jacqueline is almost ready to be excited about this new opportunity...until Mrs. Hudson and Mrs. Danvers show up. Somehow, the literary characters of Sherlock Holmes's landlady and Rebecca deWinter's creepy and sardonic housekeeper are living persons who work at the bookshop (when they aren't bickering with each other). Not only does Jacqueline have to contend with them--and the idea that people regularly eat pastries while reading books in her store!--but the morning after she arrives, the body of a dead man is found on her property. Things start to get even more strange after that: Jacqueline is befriended by three old women who bear a startling resemblance to the Witches Three from *Macbeth*, an actual witch shows up at her bookshop and accuses Jacqueline of killing her brother, and the two women who own businesses across the street seem determined to befriend Jacqueline. And then there's the police detective with the very definite hot-Viking vibe who shows up to investigate the dead body. The next thing Jacqueline knows, her staid and simple life is no longer quiet and unassuming, and she's got crones, curses, and crocodiles to deal with. And when a new literary character appears on the scene...things start to get even more hairy and Jacqueline is suddenly faced with a horrible life and death situation that will totally push her out of her comfort zone...if she's brave enough to let it. After all, isn't forty-eight too late for an old dog to learn new tricks?

**ANN AGUIRRE HAS TWO**  
**BOSS WITCH**  
**BOOK #2 \$35.00 TRADE P/BACK**

Book #1 Witch Please. Clementine Waterhouse is a perfectly logical witch. She doesn't tumble headlong into love. Rather she weighs the pros and cons and decides if a relationship is worth pursuing. At least that's always been her modus operandi before. Clem prefers being the one in charge, always the first to walk away when the time is right. Attraction has never struck her like lightning. Until the witch hunter comes to town. Gavin Rhys hates being a witch hunter, but his family honor is on the line, and he needs to prove he's nothing like his grandfather, a traitor who let everyone down. But things in St. Claire aren't what they seem, and Gavin is distracted from the job immediately by a bewitching dark-haired beauty with a sexy smile and haunting secrets in her eyes. Can the bossiest witch in town find a happy ending with the last person she should ever love?

**RENEGADE LOVE**  
**BOOK #3 \$35.00 TRADE P/BACK**

Book #1 Strange Love, Book #2 Love Code. Toth Krag is infamous among bounty hunters. Nobody has ever seen his face and lived to tell the tale. He doesn't fail. He doesn't quit. And he doesn't take prisoners. But maybe he's getting soft. For once, he showed mercy, and no good deed goes unpunished, so now he's tracking the deadbeats who run Volant's Fabulous Spectacle. She's casual. She's spontaneous. She never liked Earth that much anyway. Yara Duncan is always at the wrong place at the wrong time. That's how she wound up as the human attraction in a space circus. Frankly, it's the best gig she's ever had. Aliens pay to watch her eat and do puzzles, and she gets to see the galaxy free of charge. She's enjoying the adventure, until the scariest hunter in the universe shows up. For some reason, he thinks she's in charge, and he's determined to drag her back to face his employers. Yara doesn't run from her problems, and Krag doesn't know what to do with a human who seems more interested in what he looks like under his armor. This time, the hunter becomes the hunted in the wildly unpredictable game of love.

**INTO THE REAL – RINGO/SHERRER**  
**\$49.95 H/COVER**

As she becomes more immersed in the game, the stakes rise and so do the obstacles. Strife between teammates, a ruthless rival team, and these strange glitches that make it seem like the game algorithm (or maybe "game AI"?) has it in for her. Now she has to face a new fear: is she willing to step into the real to win the future she's always wanted? What do you do when a game and real life merge?

While her nemesis, Sharley, continues to be a threat, she works with Harris and the Aurora team to protect the future, vowing to raise her children and fight as the soldier-mother she was destined to be. Saul Harris has had visions of the Zeta ships hitting Earth years before they're due, but has no proof to warn the UNF. Scraping together a small contingent of Alpha units, he prepares for the onslaught as best he can. He embraces his gift and 'connection' with Welles and they dig further into his ancestry, only to have more haunting truths come to light. As the invasion approaches, the new Aurora team members must find their place in the crew, while old team members reunite. They know they must band together with the Originals and their fellow Space and Earth Duty troops if they are to defend Earth against this attack. But is it too little too late? Have Harris and Carrie done enough to protect their future? As they fight for survival against the Zetas in a battle that stretches across the UNF Space Zone, they soon realize the price of their freedom might be higher than they were expecting to pay.
